

Affiliated Professor of the University of Haifa: How to apply

In order to apply to become an Affiliated Professor of the University of Haifa, please send a **CV and a cover letter** to this email address: affiliates@univ.haifa.ac.il with a hard copy to:

Office of the Rector
University of Haifa
199 Aba Khoushy Ave.
Mount Carmel, Haifa 3498838
Israel

In the cover letter, state why you would like to become an Affiliated Professor of the University of Haifa. In addition, please include your academic field/s and area/s of interest, and let us know if you are interested in academic contacts with others in your field at our university.

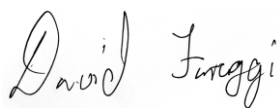

Our committee will consider your application, and notify you of our decision as soon as possible.

If accepted, your Affiliated Professor status will go into effect for one year, with the option of annual renewal.

There are no obligations associated with this status, but it offers an opportunity to take a stand, for example, by including this affiliation in your publications and presentations, on your web site and in your email signature, or to more actively oppose boycott activities. For our part, we look forward to **facilitating academic contacts** with others in your field here, to promote genuine academic interaction.

We thank you for supporting our university and the principle of nondiscriminatory academic exchange.

Sincerely,

Prof. David Faraggi
Rector
